The show is the brainchild of Dutch photographer Christina Jansen, who photographed Ali in the 1980's and who will share her experiences of 'The Greatest'. The show will be officially opened by Ali's brother, Rahman, on 19 July 2012. ### Travel - Getting Here – it is easy!

The Victoria Gate to the Olympic Park is just a 5 minute walk from us and immediately adjacent to the main stadium. We are perfectly placed for arrival by train or river with the venues to the north of the Park just 10 minutes away. Unlike the main entrance, we are on the central London side of the Park and have coach and car drop off. Staff at each of the entrances to the Olympic Park, will relay information, so guests will be advised continuously about queue lengths. Please remember that there will be "airport style" security at the Park entrances which will take time.

Dedicated river boats carrying up to 90 passengers each will run 24 hours a day to Forman's from Limehouse close to central London and Tottenham Hale to the north where there is parking for boat users only. A shuttle boat will also run between Forman's and the Northern Entrance. Please note boat ticket holders will have access to a special fast-track lane at the Western Gate. To book tickets and exclusive charters for the Water Chariots boat service see [www.water-chariots.co.uk](http://www.water-chariots.co.uk)

There will be no road transport within the park and there is no car or coach drop off at the Stratford entrance for hospitality within the park. For VIP guests requiring road car access we are the prime venue. We have a coach or car drop off outside our door and are on the West side of the park so closer to central London. There will be taxis operating 24 hours to and from Forman's.
